### WSU Clinical Faculty Wins Award

Congratulations to one of WSU partnership clinical faculty--Eric Combs, social studies teacher at Fairborn High School for winning "Ohio Teacher of the Year." Eric was honored on December 14, 2005 by the honorable Gov. Bob Taft, State Superintendent of Instruction Susan Tave Zelman, and other dignitaries. The announcement was made at a surprise school assembly at Fairborn High School.

Gov. Bob Taft presented Eric with a proclamation and praised him for his dedication to the teaching profession. "Good teachers are the key to student success," Taft said. "Today, I am proud to honor Eric Combs as one of Ohio's most outstanding educators for his extraordinary commitment to the students he serves." Susan Tave Zelman, superintendent of public instruction, also praised Combs for his outstanding work in the classroom. "The most important factor in student achievement is the quality of the teacher in the classroom," Zelman said. "Eric's passion for the classroom and devotion to his students is setting the standard for teaching at Fairborn High School and throughout the state."

Eric has taught at Fairborn High School for three years and he began a "school within a school" initiative called Delta Team, which focuses on the school's most at-risk students. "When a student knows that you set high standards, and when they know you care about them, I have found them to be magnificent achievers," Combs said.

Mr. Combs has mentored numerous Wright State University preservice teachers during his time at Fairborn High School, and we are very fortunate to have him as part of our partnership.
